An excellent candidate for this position.

Short CV

I have been a member of Weymouth Golf Club for over 25 years, a regular player that has represented the club in both Hardy A & B League matches and Captained the Hardy B Team.

I was born and breed in Weymouth and have worked for a major local Defence company for 38 years. In that time I have held the role of Senior Project Manager responsible for the delivery of Maritime Programmes to time, cost & quality and more recently I have been a Product Manager with the task of exploiting research & technology to develop Products for the UK and Export Market. Now I am moving towards the end of my career I would like to use the knowledge and experience I have gained to benefit the Golf Club with solid decision making and good management to drive improvement and a successful business for the members.

I have previously served on the Committee in the roles of Assistant Comps and Competitions Chairman and would now like to be considered for the position of House Chair and a member of Board of Weymouth Golf Club.
