Thank you for taking an interest in the Club, of which we are very proud. Weymouth Golf Club is a Private Members' Club, which was founded in 1909. We hope that you will find all the relevant information you may need in this leaflet.

GOLF LESSONS

If you are a beginner you may want to consider taking lessons with your Club Professional, Mr Dan Carter. He can be contacted on 01305 750831 and will inform you of opportunities for learning the game. Young people aged 6 or over can also apply, with a parent or guardian, for golf lessons and special sessions are held for them.

MEMBERSHIP

Junior Membership is available from 10 years old and upwards (although, exceptionally, young players may be accepted from 8 years of age). When you feel ready please ask your parent/guardian to contact us and we will arrange a short meeting in order to discuss all matters relating to membership.

We currently have a few spaces available for Adult Playing Members and if you would like to join then you will need to complete one of our application forms, which are available from the office. If you are coming from another Club please provide us with their name and address and attach a copy of your current Handicap Certificate.

Social Membership is also available.

MEMBERSHIP FACTS

The Club's management policy is decided by an annually elected Committee and the implementation of that policy is the responsibility of the Manager.

We believe that the success of our Club is in its friendly approach and also in its insistence upon member's adherence to the Rules of the Club as well as the Rules of Golf.

Our relaxed approach is possible due to the acceptance, by the members, that standards need to be maintained. There are Dress Codes for the Clubhouse and Course and all members adhere to them.
